Warrior Games Family Program

The DoD Warrior Games

The U.S. Special Operations Command will host the annual Department of Defense (DoD) Warrior Games from June 21 - 30, 2019. The Games will feature sporting events with approximately 300 athletes representing teams from the Army, Navy, Marine Corps, Air Force, U.S. Special Operations Command, British Armed Forces, Canada and Australia.

Adaptive sports and athletic reconditioning activities play a fundamental role in the recovery, rehabilitation and reintegration of our service members. The Warrior Games embody the spirit of the members of the Armed Forces, and celebrate their triumphs, personal courage and inspirational attitude. Thousands of family, friends & spectators will attend.

The Family Program

The 2019 Warrior Games Family Program is organized by the Fisher House Foundation. The Family Program works to recognize the family and friends of wounded, injured and ill service members who have been by their loved one's side during the long road to recovery and enables them to cheer on their family members at the Warrior Games at no cost to them.
